Cancellation and Refunds

We know life happens. Planning a trip to China is a commitment we take seriously, and we trust that you take it seriously as well. It takes energy to set up and organize the details pertinent to international travel on our part. At the same time, it takes energy to organize and plan the details of your life to travel internationally for 3 weeks.

So, in honor of the energy that is required on both sides, we ask that you treat this cancellation policy as a guide for communicating with us as soon as possible about any changes in your decision to pursue travel with Mystical Abode.

Initial _____

All cancellations must be in writing, and are effective based on the date received in our office. Refunds will be granted based on the following schedule:

90 days prior to departure: 100% received minus any non-refundable prepaid expenses, credit card fees and a \$150.00 processing fee.

90-60 days prior to departure: 50% refund of payments received minus any non-refundable prepaid expenses and credit card fees.

Less than 60 days: 0% refund of payments received.

There will be NO refunds for termination of travel AFTER trip begins. Even if a member must involuntarily cancel for physical health reasons AFTER the trip within China has begun, and does not use a portion of their already pre-paid services, no refunds will be made. It is simply too difficult to get refunds in China. No refunds are made for unused excursions, entry fees, or unused special program activities.

Additionally, refunds to credit cards will necessitate an additional 5% fee.

In case of emergency, hospitalization of you or a family member, sudden death in the family, it is understood that the registrant or representative will communicate to a Mystical Abode representative as soon as possible. Our cancellation policy is outlined above.
